

Brief CV – Dr. Amol Dongre

Dr. Amol Dongre is currently a Professor of Community Medicine at Sri Manakula Vinayagar Medical College and Hospital, Pondicherry. He obtained his graduate and postgraduate degrees in Community Medicine from Mahatma Gandhi Institute of Medical Sciences (MGIMS), Sewagram. In 2007, he earned a Master's in Population Sciences from the International Institute for Population Sciences, Mumbai. As part of his International Fellowship in Medical Education (2015), he completed a Master's in Health Professions Education at Keele University, UK. In 2024, he enrolled in a Ph.D. in Health Professions Education at Bhaikaka University, Karamsad, Gujarat.

Dr. Dongre has conducted 22 national-level workshops on Qualitative Research Methods for health professionals and currently runs a month-long online course in Qualitative and Mixed Methods Research. He has authored one book, titled *Qualitative Research Methods in Health and Educational Research*, along with seven book chapters. He serves as a FAIMER regional faculty at two FAIMER regional centres—PSG, Coimbatore, and Manipal Academy of Higher Education. His research contributions include 45 international publications and 120 national publications. His primary areas of interest and expertise lie in community-based education, postgraduate assessment, and curriculum innovations.
